

SWATHI GATTEM

+91 7730951388 gattemswathi369@gmail.com

PROFESSIONAL SUMMARY

Aspiring Data Analyst with strong skills in Power BI, Python, SQL, Excel, Data Visualization, EDA, and Machine Learning. Experienced in transforming raw data into actionable insights through dashboards, predictive analytics, and business intelligence solutions.

SKILLS

Data Analytics

- SQL
- Excel
- Power BI
- Tableau
- EDA

Programming

- Python
- C

Tools

- GitHub
- Jupyter Notebook

Operating system

- Windows
- MacOS

EDUCATION

BSc-Data Science

Aditya Degree College 2023-26
CGPA:9.34

Intermediate, MPC

Siddartha Junior College 2021-23
Percentage:95.9%

SSC

Z..P.P.High School 2020-21
Percentage:98.5%

LANGUAGES KNOWN

- English
- Telugu
- Hindi

EXPERIENCE

VISIONTECH AI & ML Intern | June 2025-Aug 2025

- Performed data preprocessing, feature engineering, and exploratory analysis.
- Built and evaluated machine learning models on real-world datasets.
- Applied classification techniques and model optimization methods.
- Improved model performance through parameter tuning and validation.
- Presented analytical findings and documented project outcomes.

ULEARN POWERBI Intern | Sep 2024- Jsn 2025

- Developed interactive dashboards and KPI reports using Power BI.
- Performed data cleaning, transformation, and modeling using Power Query.
- Created DAX measures and calculated fields for business reporting.
- Automated reporting workflows and improved reporting efficiency.
- Analyzed business datasets to identify trends and actionable insights.

PROJECT(S)

GLOBAL SUPERSTORE SALES & PROFIT ANALYSIS

- Built an interactive Power BI dashboard to analyze sales, profit, customers, and orders across regions and product categories.
- Created visual reports and KPIs that helped identify top-performing regions, customer segments, and profitable products

HEART ATTACK RISK ANALYSER

- Developed a machine learning-based web application to predict heart disease risk using patient health data.
- Designed an interactive dashboard to display risk predictions and personalized health recommendations.

EVENTEASE WEBISTE

- Developed a responsive event management website for exploring and booking various celebrations, including weddings, birthdays, and corporate events.
- Designed a user-friendly interface with event details, booking features, and seamless navigation to enhance user experience.

CERTIFICATIONS

- Python Essentials: By Cisco
- C :By Cisco
- GenAI : By NxtWave
- Cyber Security : By Infosys
- AI & ML : By ULearn
- PowerBI & Statistics: By Great Learning

ACHIEVEMENTS

RESEARCH PUBLICATION

Ensemble Deep Learning for Cricket Score Prediction

- * Combined CNN, LSTM and DNN architectures.
- * Improved score prediction accuracy using ensemble learning.
- * Presented at ICITSM'25 International Conference.
